SUNSHINE FINANCIAL ASSISTANCE PROGRAM: The NPRD believes in providing services and programs to CITY OF NEENAH RESIDENTS who wish to participate, regardless of ability to pay. If you would like more information on possible financial assistance, an application can be picked up in our office or printed on our website. Eligibility is determined on a case-by-case basis.

FEES: Resident / Non Resident: All registrants will either be a resident of the City of Neenah or a non-resident. Your residency is based on the city/town/village you pay taxes, not necessarily what your mailing address indicates. However, an increased non-resident fee will only be assessed for programs at the Neenah Pool (lessons and season passes) or when renting a facility.

RECIPROCITY AGREEMENT: Residents of the City of Appleton, City of Menasha and City of Neenah will pay the resident fee for all programs and facility rentals in each city. Please Note: This does not change the status of residency during registration dates. A City of Menasha / Appleton Resident is still considered a non-resident during the City of Neenah Resident Registration.

REFUNDS: Full refunds are made if NPRD cancels a program. All other cancellations must be done by contacting NPRD at 886-6060 at least 48 hours before a program begins. A \$5.00 service charge per transaction is applied to anyone who wishes for a check or credit card reimbursement (we do not refund in cash) OR 100% of the class fee can be applied to your household to be used towards any other activities at a later time.

ACCOMODATIONS FOR PEOPLE WITH DISABILITIES: The NPRD is committed to meeting the needs of persons with permanent disabilities. Appropriate auxiliary aids and services may be provided as necessary, to enable you to fully participate in parks and recreation services, programs, and activities. NPRD asks that you register and request accommodations as early as possible to ensure necessary accommodations can be coordinated, preferably a two-week notice.

ACTIVE DUTY MILITARY FAMILY WAIVER POLICY: The NPRD admires the sacrifice of military personnel and their dependents and wants to provide the support they need. Our department feels that these families should be able to enjoy the many parks, programs and facilities in our community. Therefore, a program is available to deployed military personnel and their dependents. For information visit www.neenahgov.org - departments – parks & recreation – permits, forms & applications.

ACTIVITY CANCELLATIONS: To find out a program has been cancelled due to weather, call our cancellation line 886-6068 or visit our website www.neenahgov.org - departments – Parks & Recreation – Cancellations

### Carpenter Preserve is 20 Years Old in 2016

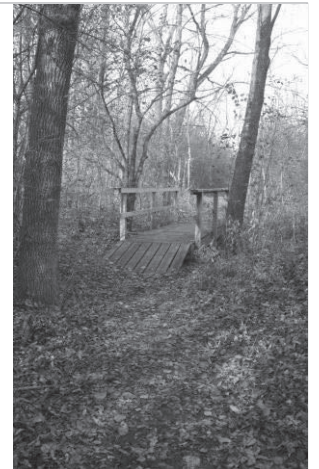

This park is a combination of woodland and wetland. Many entrances into the park are available; one on Breezewood Lane (adjacent to Town of Neenah Hall), one on each side of bridge on Pendleton Road (in the Nature Trails Subdivision) and one on Cty Road G. There is an un-signed trail system throughout the park.

30.43 acres purchased in 1996 and 71.70 acres purchased in 1999. Total cost was \$203,100. 50% paid by City of Neenah residents and 50% by DNR grants.

In 2004, 7 acres deeded to the park by the Eagle Crest developers.

Named after Neenah Mayor Marigen Carpenter (1982-1998)

- Have the blades professionally sharpened at the beginning of each season.
- Skate only on specially prepared skating areas where you are sure the ice is strong enough to withstand your weight.
- Always check for cracks, holes or other debris.
- Wear warm clothing and rest when you become tired or cold.

**Opening dates for shelters will be posted on this website, as we get into the ice rink building weather.**

*Take your dog for a walk. It's one of the main benefits of having and owning a dog.

*Go cross-country skiing.

*Attend a dog-sled race. You don't have to live in Alaska to see one of these – check the DNR website, they usually have a list of upcoming events.

*Go sledding.

*Build a fort and have a snowball fight with your kids (or your spouse/partner). Or buy a snow block maker and build an igloo.

*Take a blanket and a cup of hot cocoa and sit outside on your front porch swing.

*Shovel paths in the snow.

*Feed the birds or go birdwatching. Make your own birdfeeders out of pine cones, peanut butter, and birdseed.

*Go ice fishing.

*Go on a winter picnic. Take blankets, sandwiches and hot soup in a thermos. This might give you some fun, cheap date ideas for couples as well.

*Head out on a photo expedition to take pictures of the winter landscape.

*Have kids or dogs? Set up an obstacle course in the yard with jumps, tunnels and other challenges.

*Make snow paint. Simply add food coloring to water and put in a spray bottle, then go out and paint your yard.

# LOOP THE LITTLE LAKE TRESTLE PROJECT

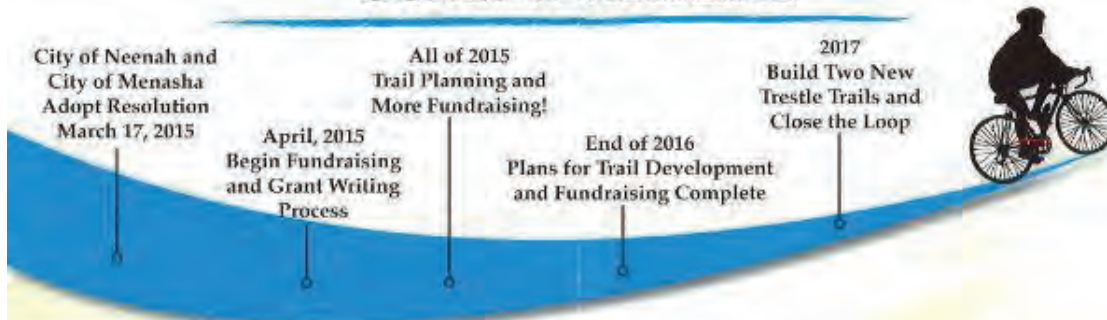

**Our story:** In April 2013, Future Neenah announced plans for an upcoming project called Navigate Neenah-Menasha. This overall initiative includes:

<b>TWO New Trestle Bridges to close the Lower Little Lake Butte des Morts gap</b>		
Trail Connections	Kayak launch & Corral	Bike Parking
Pedestrian Way Finding Signage		Fishing Facilities

It is anticipated the trestle project will cost just over \$3 million and will be funded with a combination of grants, fundraising, and partnership from the municipalities. Future Neenah will serve as the fundraising arm of Navigate Neenah-Menasha, a multi-year, multi-faceted initiative.

Loop the Little Lake Trestle Project begins with YOU! Together, we can create a regional silent sports amenity with statewide appeal and a great economic impact for a small investment. Visitor spending in the Fox Cities is currently on the rise to more than \$411 million annually and we would like to see it grown even more in our area. Our existing trestle hosts over 300,000 visitors each year and that number continues to grow. Unique trails, water access and places to enjoy among family and friends are sometimes all it takes to evoke a sense of place, create a destination, and help support the vitality of a community. The Loop The Little Lake: Trestle Project is just that kind of project. The positive impact of bridging communities will be a great legacy for you to leave for generations to come.

## GOALS & TIMELINE

**How could we build the trail faster? The answer is: With YOUR HELP!**

Often times finances can be a barrier to making our dreams come true. The faster we can meet or exceed our fundraising goals, the faster we can make this project a reality. Even with a small donation you can make a big impact on your community. Donate securely on Future Neenah's website [www.neenah.org](http://www.neenah.org)
