<b>Isabella St</b> (Winneconne-Sherry)	The contractor is scheduled to continue road construction by removing the existing curb and gutter and road base, and install the new road base.	The contractor is scheduled to continue road construction.

- Notes:**
- 1) This schedule could vary depending on site conditions and weather.
  - 2) Please contact the Department of Public Works at 920-886-6240 if you have any questions or concerns during the construction project, especially related to safety.
  - 3) Our inspector and/or the contractor will be contacting customers prior to connecting the new water services, which will require a water service interruption. We will work to make the connection during a time that is convenient for the customers and the contractor.
