<b>Isabella St</b> (Winneconne-Sherry)	The contractor is scheduled to continue house-side sewer and water service replacement.	The contractor is scheduled to finish house-side sewer and water service replacement.

- Notes:**
- 1) This schedule could vary depending on site conditions and weather.
  - 2) Please contact the Department of Public Works at 920-886-6240 if you have any questions or concerns during the construction project, especially related to safety.
  - 3) Our inspector and/or the contractor will be contacting customers prior to connecting the new water services, which will require a water service interruption. We will work to make the connection during a time that is convenient for the customers and the contractor.
