Request to Reorganize our Comm Tech Positions and Open Records Position: Committee reviewed memo from Chief Olson recommending Council authorize the Police Department to reorganize the Comm Tech schedule by reallocating one full-time records employee assigned to work Open Records (80%) and Accreditation (20%) effective June 1, 2019 or later; to reallocate one part-time position into a Fleet Manager position effective June 1, 2019 or later; and to give the City back a half-time position effective July 5, 2019 or later. Chief Olson indicated that the reorganization is due to a number of reasons. They include the difficulty in staffing the Comm Tech positions and the need to reallocate staff time and expertise to perform necessary duties. These duties include maintaining open records, maintaining law enforcement accreditation standards and managing the fleet of 33 police vehicles and other related equipment. He also explained how the police department lobby area will be retrofitted with locks and panic buttons to ensure citizens will still have a safe zone when there is no physical presence at the front desk.

Committee and staff discussed various aspects of the proposed reorganization. Mayor Kaufert provided his endorsement of the changes provided that the citizen safe zone is created in the police department lobby. Specific discussion took place on the protocols for the safe zone lobby area and the need for and proposed duties of the Fleet Manager position.

Motion/Second/Carried Boyette/Stevenson recommending Council authorize the Police Department to reorganize the staffing structure as follows: 1). Change the position of Part-Time Open Records Clerk to a Full Time Open Records/Accreditation Assistant effective June 1, 2019 or later, adding a .5 FTE; 2). Eliminate a Full Time Comm Tech position effective July 5, 2019, removing 1.0 FTE; and 3). Changing the position of Part Time Comm Tech to the position of Part Time Fleet Manager effective June 1, 2019 or later, with no change to FTE, for a total net reduction of .5 FTE within the Police Department. All voting aye.

Station 32 Roof Repair: Committee reviewed memo from Deputy Chief Voss requesting Council accept the roof repair to Station 32 proposal from JAMAR in the amount of \$53,000. The 2019 Facilities Capital budget includes \$21,000 for the roof replacement. The pricing is based upon quotes received by Building Manager Pat Fischer. Deputy Chief Voss explained that the large budget variance was due to a number of changes to the roof deck to accommodate additional insulation, sky light frames and edge curbing, while the initial budget was a preliminary basic number based only upon square footage.

Committee and staff discussed various aspects of the proposed roof project. Upon questioning from the committee, City Attorney Godlewski indicated that the project is potentially subject to state bidding laws as opposed to the quotes received for the project. Deputy Chief Voss indicated that the roof is still functional and replacement could wait for a bidding process to occur.

Motion/Second/Carried Kunz/Boyette to authorize City staff to initiate the legal bidding process to replace the roof at Fire Station No. 32 pending a final determination by City Attorney Godlewski on the need for the project to go through the bidding process. All voting aye.

<u>Designation of Official Newspaper for 2019-2020</u>: Committee reviewed memo from Director Easker recommending acceptance of the *Post-Crescent* quotation and designate it the City's official newspaper for June 2019 to June 2020. The *Post-Crescent* quotation was the only quote received and includes a slight increase (2.74%) in price from last year. Committee and staff discussed various aspects of the newspaper designation. By consensus, committee directed City Attorney Godlewski to verify that The *Post-Crescent* meets the circulation standards as written in state law.

Motion/Second/Carried Kunz/Steele to recommend Council accept the Post-Crescent quotation and designate it the City's official newspaper for June 2019 to June 2020. Motion carried 4-1, with Alderman Boyette voting no.

<u>Fiscal Matters: March Vouchers</u>: Motion/Second/Carried Stevenson/Boyette to approve the March vouchers as presented. All voting aye.

Motion/Second/Carried Boyette/Stevenson to adjourn the meeting at 8:25 p.m. All voting aye.

MEMORANDUM

TO:

Chairman Erickson, members of the Finance & Personnel Committee

FROM:

City Attorney Jim Godlewski

RE:

Deputy Clerk Position

Deputy Clerk Laurie Goffard recently announced her resignation effective June 7th.

The Deputy Clerk position is vital within the department and provides essential backup to the clerk's duties. It includes assisting in the election process, monitoring and organizing City records, including filed claims, assisting in maintaining the record of Council and committees' actions as well as other duties necessary to maintain the operation and record of City government. In addition, City Clerk Sturn has indicated her intent to retire by early 2022, making it imperative this position be filled as soon as possible to insure a smooth transition to whomever succeeds Clerk Sturn as City Clerk. Because of the nature of the Clerk's duties, some of which only occur episodically, filling the position now will allow the maximum training time before Clerk Sturn's retirement.

Staff recommends the Committee authorize filling the Deputy City Clerk's position.

MEMORANDUM

DATE: June 10, 2019

TO: Chairwoman Erickson, members of the Finance & Personnel Committee

FROM: Assistant City Attorney Adam VandenHeuvel

RE: Social Media & Anti-Bullying Policy

Attached to this memo are two policies relating to Social Media and Workplace Bullying. After attending the Wisconsin Public Employer Labor Relations Association annual meeting this past spring in Madison, it became clear that the majority of municipalities have policies like these in place. Former Dir. Barber and I collected policies from many of the similarly situated communities and created these two policies based on the samples we received. While these two policies will be voted on separately, for convenience they will both be discussed in this memo.

Social Media Policy

The social media policy instructs city employees on appropriate and inappropriate social media posts. This policy is not designed to stifle any employee's first amendment rights, but rather to ensure that employees are not intentionally or unintentionally speaking on behalf of the city when they are not authorized to do so. The policy requires that any time an employee is posting about a topic related to the City of Neenah which could be interpreted as a City position, they use a disclaimer stating the views are their own. Additionally, it directs employees not to comment on citizen posts regarding the City from their personal accounts.

Additionally, employees are not allowed to use their government emails address for their social media accounts, are not allowed to use their personal facebook for official City business, and are not allowed to post any media from work without the express permission of all those in the photo.

The final area that this policy covers is how department facebook accounts should be managed. The two main items here are that official City accounts may not post any content or endorsement featuring a politician who is currently running for office, and posts

or comments may not be removed without department head, city attorney, or mayoral approval.

An appropriate motion would be for the Committee to recommend Council approve Policy 2019-01, relating to Acceptable Social Media Use.

Anti-Bullying Policy

The City currently has an anti-harassment policy with addresses harassment based on a protected class: sex, age, religion, race, sexual orientation, etc. This policy is designed to create guidelines to address all other forms of work-place "harassment" that do not fall under the EEOC definition of a hostile work environment or harassment. This policy is not intended to create any new protections or classes for employees, it is simply a way for an employee who is being "harassed" to address the "harassment" if it is not because of a protected class. The reason this policy is called anti-bullying instead of anti-harassment is because "harassment" has a legal definition according to the EEOC which this policy does not address.

An appropriate motion would be for the Committee to recommend Council approve Policy 2019-02, relating to the Anti-Bullying policy.

government and personal facebook pages.

INTRODUCTION

Social Media has become one of the most efficient and effective ways for individuals and organizations to quickly communicate with one another, and a social media presence has become a key feature for local governments. It is crucial that the City of Neenah continue to be visible and active in the social media landscape, however it is even more important to ensure that personal and governmental opinions, ideas, and posts be clearly identified and always separated. This policy is to help ensure consistency among departments using social media, minimize risks, ensure compliance with open records laws, and provide employees guidance on what is appropriate and not appropriate use on both personal and professional pages.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech, or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well a labor or other applicable laws. For example, this policy does not limit an employee from speaking as a private citizen about matters of public concern, such as misconduct or corruption.
