- VI. Consent Agenda

Approve the Preliminary Plat for the Third Addition to the Homes at Freedom Meadows subdivision subject to the conditions on the preliminary plat review letter. (PC) There being no objections, the Consent Agenda as ordered approved as presented.

- VII. Reports of standing committees
  - A. Special Public Services and Safety Committee meeting of January 17, 2024: (Chairperson Lendrum/Vice Chairperson Hillstrom)
    - Consideration of Committee recommendation regarding awarding a contract for demolition and site clearance of 1345 S. Commercial Street to Go Green Recycling, LLC in the amount not to exceed \$23,800 funded by the Community Development Block Grant program. (RollCall-Pro)

#### MSCRP Lendrum/Weber to award the contract as presented, all voting aye.

Discussion: There was discussion on the South Commercial Street Corridor Plan and the status of that plan. Director Haese advised the South Commercial Corridor Plan is in place, and this is the third acquisition made under this plan. Staff had discussions with the property owners of the car wash on the corner of Byrd Ave/ S. Commercial St that is for sale, as well as with the property owner to the west that is the "A-Frame Building. There is interest in doing something different with those properties particularly if they are joined as one large lot. Marketing continues available lots located on the South Commercial Street Corridor.

Clarification was given on the location of the properties discussed. The property that will be raised is the former the awning/sewing center location, with the car wash on the corner of Byrd Avenue and South Commercial Street.

 Consideration of Committee recommendation regarding approving Amended Resolution 2023-33: Sanitary Sewer Lateral and Water Service Construction on Bayview Road, Belmont Avenue, Belmont Court, Cedar Street, E. Doty Avenue, North Street, Quarry Lane, Stevens Street, and S. Park Avenue. (RollCall-Pro) MSCRP Lendrum/Hillstrom to approve amended resolution 2023-22 as

# MSCRP Lendrum/Hillstrom to approve amended resolution 2023-22 as presented, all voting aye. No discussion.

3. Consideration of Committee recommendation regarding purchasing five accessible pedestrian signal systems for the intersections outlined in Traffic Engineer Merten's memo dated January 11, 2024, for a total not to exceed \$38,500 with \$32,000 being funded by Community Development Block Grant program and \$6,500 being funded by the Southpark Industrial Center Upgrade budget. (RollCall-Pro)

# MSCRP Lendrum/Stevenson to approve the purchase as presented, all voting aye.

Discussion: Traffic Engineer Merten advised Council that APS systems allows pedestrians with disabilities, particularly those with vision impairments, to better interact with signalized intersections for safer use of crosswalks. These push buttons provide audible tones and messages communicating the status of the signal operation, provide the ability for a disabled person to interact using cell phone, provide usage and device information, provide long-press walk time variation operation, and can be upgraded to also include motion sensor/touchless operation. While APS systems are not currently required under the American Disabilities Act, the Proposed Accessibility Guidelines for Pedestrian Facilities in the Public Right-of-Way published in 2011 would require them if/when the document is finalized and enacted.

Last year, the city utilized the Community Development Block Grant (CDBG) funds for accessible pedestrian signal (APS) push button systems at the intersections of Bell Street/Commercial Street and Bell Street/Marathon Avenue. These locations Council Minutes January 17, 2024 Page 3 of 6

were chosen due to high pedestrian activity, proximity to services, proximity to transit routes, ability to improve signal operations, and existing signal hardware capabilities.

The intersections are:

- Wisconsin Avenue/Church Street
- Wisconsin Avenue/Commercial Street
- Wisconsin Avenue/Oak Street
- Commercial Street/Forest Avenue
- Bell St/Industrial Drive.

An app is available for pedestrians to use on their phones. The app will only work for the intersections that will have the APS Systems. The app will be made available on the city's website and for download via a QR Code on signs posted at the available intersections.

- B. Regular Public Services and Safety Committee meeting of January 9, 2024: (Chairperson Lendrum/Vice Chairperson Hillstrom) (Minutes can be found on the City web site)
  - 1. Meeting cancelled, no report.
- C. Special Finance and Personnel Committee meeting of January 17, 2024: (Chairperson Erickson/Vice Chairperson Skyrms)
  - Consideration of Committee recommendation to expend up to \$72,875 to purchase (\$33,500) and implement (\$39,375) a new tax system, Ascent Land Records Software Suite (ALRSS), from Transcendent Technologies of Neenah with funding coming from Information Systems ERP Suite account within the Capital Equipment Budget. (RollCall-Pro)

**MSCRP Erickson/Skyrms to approve the purchase as presented, all voting aye.** Discussion: There was discussion on the fund balance of the ERP Suite account.

- D. Regular Finance and Personnel Committee meeting of January 8, 2024: (Chairperson Erickson/Vice Chairperson Skyrms) (Minutes can be found on the City web site)

- XII. New Business
  - A. Ratification of Mayoral Proclamation Declaring A Snow Emergency Pursuant to Neenah Code §16-69(E)(4) and Wis. Stat. §323.14(4)(b) beginning 6:00 p.m. Friday, January 12, 2024, and continue until Noon on Sunday, January 14, 2024. (RollCall-Pro)
     MSCRP Stevenson/Borchardt to approve proclamation as presented, all voting aye.

Discussion: The Mayor has the authority to declare a snow emergency which needs to be ratified by the Council after the fact. This was due to Blizzard Bennett.

- B. Any announcements/questions that may legally come before the Council.
  - Alderman Hillstrom commended the Public Works Department with their handling of the snow removal from Blizzard Bennett, and the Winter Festival on Saturday, January 13<sup>th</sup>. Over 200 were in attendance for hot dogs, sledding, snowboarding, smores, etc. This was a well done event by the Parks & Recreation Department. Mayor Lang thanked Alderman Hillstrom and his wife for volunteering at the festival.
  - 2. Alderman Skyrms spoke on the Police Department's Awards Night. This is a great example of how an outstanding nt Neenah Police Department is. Alderman

Skyrms had the chance to attend and learned of numerous examples of valor, excellence, and life saving events that took place. It was a pride inspiring event.

#### XIII. Closed Session

A. The Council may convene into closed session pursuant to Wis. Stat. 19.85(1)(g) to confer with legal counsel regarding potential litigation concerning the Equivalent Residential Unit (ERU) and Transportation Assessment Replacement Fee (TARF). (RollCall-Pro)
 MSCRP Skyrms/Borchardt for the Council to move into closed session. The Council may reconvene into open session to consider action on any item(s) discussed in closed session, all voting aye.

B. The Council may reconvene into open session to consider action on any item(s) discussed in closed session.

The meeting adjourned in closed session.

#### XIII. Adjournment

The meeting adjourned in closed session. Motion by Skyrms/Borchardt to adjourn, all voting aye. Meeting adjourned at 8:20 PM.

Respectfully submitted,

Charlotte K. Nagel

Charlotte Nagel, City Clerk

### NOTICE OF PUBLIC HEARING ON SPECIAL ASSESSMENTS FOR BENEFITS CONFERRED UPON PROPERTY BY CONSTRUCTING AND INSTALLING IMPROVEMENTS IN SAID STREETS AS HEREINAFTER PROVIDED

PLEASE TAKE NOTICE that the Common Council of the City of Neenah, has declared its intention to exercise its police power under City of Neenah Municipal Code, Section 13-1, and Wis. Stats. Sec. 66.0703 to levy special assessments upon property on both sides of the streets below described for benefits conferred upon such property by constructing and installing improvements in said streets as hereinafter provided:

# Sanitary sewer laterals and water services for properties served by sanitary sewers and potable water on the following streets:

1. Belmont Avenue (Stevens St to Cedar St)	2. Belmont Court (Belmont Ave to terminus)
3. Cedar Street (E Doty Ave to Winnebago	4. E Doty Avenue (Commercial St to Pine St)
Hts)	
5. North Street (Green Bay Rd to Western	6. Quarry Lane (Higgins Ave to Reed St)
Ave)	
7. Stevens Street (Belmont Ave to Winnebago	8. S. Park Ave. Utility Easement
Hts)	
9. Bayview Road (S. Park Ave to Bayview Ln)	

The report of the Public Services and Safety Committee showing the estimated cost of said improvements, proposed assessments and award of damages is on file in office of the Director of Public Works and may be inspected there on any business day between the hours of 7:30 a.m. and 4:00 p.m.

You are further notified that the Common Council will hear all persons interested, their attorneys or agents, concerning matters contained in the preliminary resolution authorizing such assessments and award of damages at 7:00 p.m., on the 7th day of February 2024, in the Council Chambers in the City of Neenah Administration Building, 211 Walnut Street. All objections will be considered at such hearing and thereafter the amount of assessments will be finally determined.

Dated at Neenah, Wisconsin this 26th day of January 2024

Charlotte Nagel City Clerk Neenah, Wisconsin

Publish: January 26, 2024

### **FINAL RESOLUTION NO. 2024-01**

#### FINAL RESOLUTION OF INTENT TO EXERCISE SPECIAL ASSESSMENT POWERS BY POLICE POWER UNDER SECTION 66.0703 OF THE WISCONSIN STATUTES AND SECTION 13-1 OF THE NEENAH MUNICIPAL CODE.

RESOLVED, by the Common Council of the City of Neenah, Wisconsin.

1. The Common Council hereby declares its intention to exercise its power under Section 66.0703 Wisconsin Statutes, and Section 13-1 of the Neenah Municipal Code to levy special assessments under the police power upon all properties abutting the following improvements in the City of Neenah, Wisconsin:

Installation of sanitary sewer laterals and water services for properties served on the following streets:

- 1. Belmont Ave. (Stevens St. to Cedar St.)
- 3. Cedar St. (E. Doty Ave. to Winnebago Heights)
- 5. North St. (Green Bay Rd. to Western Ave.)
- 7. Stevens St. (Winnebago Heights to Laudan Blvd.) 8. S. Park Ave. Utility Easement
- 9. Bayview Rd. (S. Park Ave. to Bayview Ln.)
- 2. Belmont Ct. (Belmont Ave. to Terminus)
- 4. E. Doty Ave. (Commercial St. to Pine St.)
- 6. Quarry Ln. (Higgins Ave. to Reed St.)
- 2. The Common Council determines that the above improvements constitute an exercise of the police power and the amount assessed each parcel abutting on the above named street shall be on a reasonable basis as approved by the Common Council which is in effect at the time of installation in accordance with special assessment procedures set forth in provisions of Section 13-1, Neenah Municipal Code.
- 3. The assessments against any parcels of land shall be paid as provided in the City of Neenah Municipal Code, Section 13-2 and 13-3.
- 4. The Public Services and Safety Committee shall with respect to the items mentioned at paragraph 1 above prepare a report consisting of:
  - a. Preliminary or final plans and specifications of the improvements.
  - b. An estimate of the entire cost of the proposed work or improvements.
  - c. A schedule of the proposed assessments as to each parcel of property affected.
  - d. A statement that the properties against which the assessments are proposed are benefited and that the improvements constitute an exercise of the police power.

Upon completion of such report, the Public Services and Safety Committee is directed to file such reports in the City Clerk's office for public inspection.

5. Upon receiving a report of the Public Services and Safety Committee, the Clerk is directed to give notice of a public hearing on such report as specified in Section 66.0703(7)(a), Wisconsin Statutes.

#### CITY OF NEENAH PUBLIC SERVICES AND SAFETY COMMITTEE MEETING MINUTES Tuesday, January 30, 2024, 6:30 PM

Present: Alderpersons Borchardt, Hillstrom, Lendrum, Stevenson, and Weber

### Excused:

**Also Present:** Alderperson Boyette, Community Development Director Haese, Police Chief Olson, Deputy Director Community Director Schmidt, City Clerk Nagel, Public Works Superintendent Radtke, Police Captain Van Sambeek, Police Fleet Specialist Streubel, Public Works Engineer Kummerow, and Public Works Office Manager Mroczkowski

Public Appearances:

NONE

Approval of Minutes of the Meeting of December 12, 2023, and Special Meeting of January 17, 2024.

Motion/Second/Carried by Hillstrom/Borchardt to approve the minutes of the Meeting of December 12, 2023, and Special Meeting of January 17, 2024. All voting aye.

### Douglas Pond-Memorandum of Agreement with Galloway Company

Engineer Kummerow reviewed Director Kaisers memo of January 26, 2024. He stated that the Public Works and Parks & Recreation staff have been evaluating the use of a portion of Douglas Park for a storm water facility. He stated that the purpose of the facility is to address street flooding on S. Commercial Street and water quality in the drainage basin encompassing the Commercial Street corridor between Cecil Street and Orange Street and extending easterly roughly to Higgins Avenue.

Alderperson Lendrum stated that there will be calls about the safety of the pond. She asked if there will be landscaping similar to the other ponds to help deter the public from getting close to the pond. Engineer Kummerow stated that the landscaping will include similar tall prairie and aquatic plants along the safety shelf and all around the pond that will help prevent people from getting near the pond.

Engineer Kummerow stated that the memo also states during the course of developing this project, staff was engaged by Galloway Corporation relative to their expansion plans and the storm water needs attendant to that expansion. He stated in order to build the pond, the city would need to obtain easements through Galloways property to connect the storm water infrastructure from Douglas Park to S. Commercial Street.

Engineer Kummerow stated that the Parks Commission approved the land use for the storm water pond and the Public Works Department is seeking approval of the Memorandum of Agreement (MOA) with the Galloway Corporation for the easements.

Alderperson Borchardt asked if Galloway will continue to discharge their storm water into the Harrison Street Pond after the Douglas Street Pond is complete. Engineer Kummerow stated that their storm water will first discharge into the Douglas Pond and then cycle through to the Harrison Street Pond.

The Committee further discussed the conditions of the MOA including Galloways financial cap in sharing a portion of the construction costs and a lump sum payment to offset costs associated with property acquisitions, providing easements to the city, the Stormwater Utilities financial obligation to the Parks Department, Galloway providing long-term planning information to the city for future site development, and completion of the project.

Alderperson Weber asked Alderperson Hillstrom what the Park Commissions feelings were regarding the use of the park for a pond. Alderperson Hillstrom stated it was positive.

The Committee discussed the conditions for the use of the park which include installation of a looping stone trail around the stormwater facility, a park sign off of Douglas Street, replacement of a two-bay swing set, commission maintenance of the area around the current bathroom, play area and future swing set, and turf adjacent to the stone path.

Alderperson Lendrum asked if the public was notified about this topic being on the Parks Commission agenda. Director Haese stated that it was not but there was no statutory requirement for that either.

# Following Discussion: Motion/Seconded/Carried Hillstrom/Weber to approve the Memorandum of Agreement with Galloway Company relative to the construction of the Douglas Park Pond. All voting aye.

### Police Department Request for Vehicle Replacement

Police Fleet Specialist Streubel reviewed the proposed vehicle purchases for the police department. He stated that the department is requesting to replace two 2019 squad cars with 2025 Ford Hybrids Police Utility cars, a 2014 Training Lieutenant pick-up truck with a 2024 Ford F150 pick-up truck, a 2019 School Resource Officer squad car and 2014 School Resource Officer squad car with 2024 civilian Ford Explorers, and the 2014 Community Policing Coordinator pick-up truck with a 2024 Ford F150 Police Responder. He stated that total cost of the vehicles is \$353,524.00 which is under budget by \$4,389.00.

Following Discussion: Motion/Second/Carried by Borchardt/Hillstrom to recommend Council approve the purchase of two 2025 Ford Hybrid Police Utility cars, one 2024 Ford F150 Training Lieutenant Pick-Up Truck, two 2024 civilian Ford Explorers, and one 2024 Ford F150 Police Responder Pick-Up Truck, all from Bergstrom Automotive, Neenah WI, and to include all equipment and changeover costs not to exceed the approved 2024 Capital Improvement Equipment budgeted amount of \$357,913.00. All voting aye.

#### Police Department Building Remodel Phase II-Current Office Space

Police Chief Olson reviewed his memo of January 26, 2024, regarding the reconfiguration of the current briefing room, exercise room, mat room, and Professional Staff Supervisors Office. He stated that this is Phase II of the department's updates for the sustainability of the department.

Police Chief Olson stated that the current briefing room and gym will be turned into an area designated for patrol. He stated that the mat room will be redesigned into two offices which will be designated for future use, and the current patrol supervisor's office will be redesigned into Professional Staff Supervisor office space. Police Chief Olson stated that Building Manager Benson will be the project manager for the remodel.

Alderperson Stevenson asked if the operating budget will be compensated for Building Manager Benson's time. Police Chief Olson stated that Building Manager Benson is doing the work to save the department money, we are not reimbursing the operating budget.

Following Discussion: Motion/Second/Carried by Weber/Stevenson to recommend Council approve Phase II of the Police Department's remodel of the briefing room, gym, mat room, and patrol supervisor's office, in the amount of \$170,000.00 with funding coming from the Capital Facilities Budget. All voting aye.

#### Police Department 2023 Statistics Report

Police Chief Olson reviewed the 2023 statistics. He stated that in 2023 the police department took 18,302 calls for service.

Chief Olson reviewed the Unified Crime Report (UCR) for 2023. He noted that 61% of the crime reported was Crimes Against Property, 22% was Crimes Against Person, and 17% was Crimes Against Society.

Chief Olson reviewed Traffic Stops for 2023. He noted that there was a total of 3,561 traffic stops in 2023, compared with 3,105 in 2022 and 2,533 in 2021. Chief Olson noted that in 2024 he has put an emphasis on officers making more traffic stops.

Chief Olson reviewed Traffic Warnings for 2023. He noted that there was a total of 3,254 traffic warnings in 2023, compared with 2,914 in 2022 and 2,690 in 2021.

Chief Olson reviewed Traffic Citations. Chief Olson stated that 1,314 citations were issued in 2023, compared to 1,743 in 2022 and 1,364 in 2021.

Chief Olson reviewed OWI Arrests. He noted that there was a total of 37 OWI arrests in 2023, compared to 47 in 2022 and 64 in 2021.

Chief Olson reviewed Traffic Safety Officer. Chief Olson stated that in 2023 Traffic Safety Officer Edwards made 1,166 traffic stops. Chief Olson noted that the stops resulted in 130 citations and 1,273 warnings being issued. He stated that 69.1% of the warnings were for speeding.

Chief Olson reviewed Parking Citations. In 2023, 1,528 parking citations were issued. He noted that the majority were for overnight parking.

Chief Olson reviewed Accidents. There were a total of 538 reported accidents in 2023. He noted that the majority of accidents are in non-intersection parts of the street. He also noted that there were no accidents with fatalities.

Chief Olson reviewed Overdoses. He noted that there was a total of 47 overdoes in 2023 with 10 resulting in death.

Chief Olson reviewed Dangerous Animals. He noted that in 2023 there were 58 reports of dangerous animal where no action was taken, 5 potentially dangerous designations, 1 dangerous designation and zero prohibited designation.

Chief Olson reviewed Open Records Requests. He noted that there were 1,744 total open records requests in 2023. He noted that these are background checks, license, and permit checks. He noted that of the 1,744 requests there were 2,166 different response types requested and 448.3 hours of media requested.

Chief Olson reviewed Code Enforcement. He noted that there were a total of 2,133 code enforcement related cases, inspections, fees, and citations issued in 2023. He noted that there were 438 new cases opened, 1,168 inspections done, and 376 cases closed.

Licenses

Approve the Class "B" (Picnic) License Application to St. Gabriel Parish, 900 Geiger Street, Neenah WI

Following Discussion: Motion/Seconded/Carried Stevenson/Borchardt to recommend Council approve the Class "B" (Picnic) license application to St. Gabriel Church, 900 Gieger Street, Neenah WI, for Friday fish fry to be held on February 9, 16, 23, and March 1, and 8. All voting aye.

All voting aye.

### Fleet #54, 2023 Automated Side Loader Refuse Truck

Following Discussion: Motion/Seconded/Carried Stevenson/Borchardt to recommend Council approve the purchase of a 2023 New Way Sidewinder ASL truck from Envirotech Equipment, Menomonee Falls, WI, in the amount of \$352,797.00 and approve the purchase of new radio equipment, city logos, and additional lighting with a not to exceed cost of \$3,500.00. All voting aye.

# Public Works General Construction and Department Activity Report

- Contract 7-21 (Harrison Pond): Storm and sanitary sewer work is complete, and the pond is functioning. Stone work on the water feature is complete. Pumps were installed 11/15. We are awaiting the meter socket for the electric service. A number of punchlist items remain to be completed – retaining wall staining, overseeding along Harrison Street and trail grading. Trees that have not survived will be replaced in spring 2024.
- 2) Contract 1-23 (Chestnut, Burr, Dieckhoff, Laudan Utility and Street Construction): Utility work, curb/gutter installation and landscaping are complete. A binder course of asphalt has been paved. The topcoat of asphalt will be paved in spring 2024.
- 3) Contract 2-23 (Charles, Hughes, Memorial, Patrick, Brantwood Dr/Ct Utility and Street): A final pay request is coming to Council on February 7.

- 4) Contract 7-23 (High, River Utility and Street Construction): Utility work, curb/gutter repairs and landscaping are complete. A binder course of asphalt has been paved. The topcoat of asphalt will be paved in spring 2024.
- 5) Neenah Creek Bridge: Work is halted until spring. The remaining work is parapet staining, the east approach paving and trail repairs.
- 6) 2024 Projects: The contract layout for 2024 is listed below.

1-24: Belmont Ct, Belmont Av, Cedar St, Stevens St - Utilities and Street
2-24: E. Doty Av - Utilities and Street
3-24: Bayview Rd, Commercial St Water Crossings, Quarry Ln, Reed St - Utilities and Street
4-24: S. Park Avenue Easement - Utilities
5-24: North St, Utilities and Street
6-24: Jewelers Park Dr, Storm sewer and Street
7-24: Misc. Concrete Pavement and Sidewalk Repairs, Commercial/Winneconne.
8-24: Misc. Asphalt Repairs
9-24: Epoxy Pavement Marking

- 10-24: Tullar Garage Roof (Section 2 of 5)
- 7) City Hall Elevator: Work on the elevator upgrade started the week of 11/6. Completion is scheduled for February 2.

Office Manager Mroczkowski stated that Building Manager Benson was informed by the contractor the completion date is now February 9.

8) CTH G Traffic Impact Analysis: We have received the draft report for the CTH G traffic study. We are reviewing the report.

#### Announcements/Future Agenda Items

None

<u>Adjournment</u>: Motion/Second/Carried Hillstrom/Borchardt to adjourn at 8:05 PM. All voting aye.

#### Between

#### City of Neenah and Galloway Company,

This Memorandum of Agreement entered into on the \_\_\_\_\_ day of \_\_\_\_\_\_, 2024, by and between the City of Neenah, a Wisconsin municipal corporation with offices at 211 Walnut Street, Neenah, WI 54956 (the "City"), and Galloway Company, a Wisconsin corporation with offices at 601 S. Commercial Street, Neenah, WI 54956 ("Galloway").

#### WITNESSETH

WHEREAS, the City is in the process of designing the S. Commercial Street reconstruction project, including the design for storm water management and post-construction storm water requirements; and,

WHEREAS, the City has identified the Douglas Park parcel, located at 121 Douglas Street (park site), as a suitable location for a storm water facility; and,

WHEREAS, the City has met with the City of Neenah Parks and Recreation Commission to discuss, conceptually, using the park site for storm water management purposes; and,

WHEREAS, Galloway has met with the City to discuss long-term growth facility planning; and,

WHEREAS, as part of these discussions, Galloway has inquired about partnering with the City to utilize a storm water facility at the park site to satisfy the storm water management requirements related to their facility expansion;

NOW THEREFORE, in consideration of the above recitals, which are contractual, and the mutual promises contained herein, the parties agree to the following terms and conditions:

- 1. The City has hired an engineering consultant firm to analyze and design a storm water facility in Douglas Park.
- 2. Galloway will provide the City with information relative to the long-term planning on the Galloway site, including storm water flows and drainage area.
- 3. Galloway will provide an easement along the southeast portion of its property, the current location of truck trailer storage along S. Commercial Street, to connect storm water infrastructure from Douglas Park to S. Commercial Street.
- 4. Galloway will provide a future easement for pond outlet piping extending to Henry Street.
- 5. The City will allow Galloway to convey storm water from Galloway to the Douglas Park storm water management facility when it is completed.
- 6. The City will complete the construction of the storm water management facility in Douglas Park in 2024.
- 7. Galloway agrees to submit a payment to the City in the amount of one-hundred fifty thousand dollars (\$150,000.00) to offset costs associated with property acquisition. The City

will maintain these funds in a segregated account to be used for the expansion of parks within the City.

- 8. Galloway agrees to pay a proportionate share for the cost to design, engineer and construct the storm water management facility at the park site equal to the percentage of the drainage area on Galloway's site that will drain to the pond relative to the drainage area the City will drain to the pond. Galloway's proportionate share is estimated to account for 10% of the total drainage area of the pond. Galloway agrees to pay an amount up to \$50,000 for this work.
- 9. This Agreement may be modified in writhing only by mutual consent of authorized officials from the City and Galloway Company.
- 10. This Agreement shall become effective upon signature by the authorized officials from the City and Galloway Company and will remain in effect into perpetuity until modified or terminated by the parties by the mutual consent of both parties.

IN WITNESS WHEREOF, the parties hereto accept the terms of this Agreement as of the \_\_\_\_\_ day of \_\_\_\_\_, 2024.

# NEENAH POLICE DEPARTMENT

Chief Aaron L. Olson

# Memo

To: Cari Lendrum, Public Services and Safety Committee Chair, Mayor Jane Lang

From: Fleet Maintenance Specialist Adam Streubel

Date: 1/26/2024

**Re: Request for Vehicle Replacements** 

The Neenah Police Department is requesting the replacement of two existing patrol squad cars, two existing SRO vehicles, one Training Lt. vehicle, and one Community Policing Coordinator squad.

### Squad #7

- Requesting 2025 Ford Hybrid Police Utility
- Replacing 2019 Ford Police Utility
  - o Current Mileage: 64,115
  - Mileage at Replacement: 69,457
  - Will be sold at auction

# Squad #8

- Requesting 2025 Ford Hybrid Police Utility
- Replacing 2019 Ford Utility
  - o Current Mileage: 57,045
  - o Mileage at Replacement: 62,749
    - 2019 Utility will replace # 14 Admin 2016 Police Utility
      - Current mileage 92,099
      - 2016 Police Utility will be repurposed for training in the Police Department range

# Squad 13 – Training Lt.

- Requesting 2024 Ford F150 Pickup
- Replacing 2014 Dodge Ram 1500
  - o Current Mileage: 54,584
    - Will be sold at auction

#### Squad 26 - SRO

- Requesting 2024 Civilian Ford Explorer
- Replacing 2019 Ford Police Utility
  - o Current Mileage: 84,338
  - Will be sold at auction

#### Squad 27 - SRO

- Requesting 2024 Civilian Ford Explorer
- Replacing 2014 Chevrolet Impala
  - Current Mileage: 21,599
    - Impala replacing #31 Training/Court 2010 Dodge Caravan
      - Current Mileage 61255
      - Will be sold at auction

#### Squad 33 – Community Policing Coordinator

- Requesting 2024 Ford F150 Police Responder
- Replacing 2014 Ford Police Utility
  - o Current Mileage: 27,344
    - Utility replacing # 30 Code Enforcement 2013 Ford Focus
      - Current mileage 59181
      - Will be sold at auction

#### Ford Police Utility Squads

We are requesting two 2025 Ford Hybrid Police Utility (HPU) vehicles.

In 2023, having overextended themselves, Ford canceled build orders for the Police Interceptor Utility vehicle. Their remedy is to fulfill the canceled orders with 2024 model year vehicles. As a new order, we will be receiving the 2025 model year. Ordering opens February 1st, and the vehicles are expected to arrive late spring.

We added two Hybrid Police Utility vehicles to our fleet in 2023. We are pleased with their performance and reliability. With our current vehicle use rotation, these vehicles have very low mileage. Although we are confident in the fuel cost savings projected, statements about the fuel economy would be speculative.

#### **Training Lieutenant**

We are requesting one 2024 Ford F150 Civilian Pickup.

For the past 10 years, the pickup truck platform has proven ideal for the Training Lt's vehicle. The truck supports department training, SWAT team deployments, as well as a host of other purposes involving hauling or pulling. We use the truck to pull the training equipment trailer to training sites, and the SWAT equipment trailer to training and high-risk events. The truck will have seating for six, and an enclosed bed for equipment and supplies. The truck will also be equipped to pull the new traffic barriers.

Prioritizing function over form, we have chosen a base trim level, resulting in a hardworking truck at a more economical price.

#### **School Resource Officers**

We are requesting two Ford Explorer Utilities.

We lost our 2013 Taurus SRO vehicle in 2023 due to a transmission failure. We have temporarily filled the gap by repurposing a 2019 police Squad.

Evaluating the school resource officers vehicles we considered purpose, use, and appearance. For over 10 years we have been using the Ford Utility vehicle. This platform has proven itself repeatedly in the best ergonomics, transport capability, and visibility.

With a less rigorous demand than patrol, we've chosen to propose the civilian Explorer. The interior environment will be significantly less harsh for students, and the purchase price will be approximately \$9000.00 less per vehicle than the Police Utility.

Special Neenah Rockets graphics will be added to the Middle School vehicle to promote pride and community involvement.

#### **Community Policing Officer**

We are requesting one Ford F150 Police Responder Pickup.

Like the other vehicles we are proposing to replace, the community policing vehicle has reached its 10-year anniversary. Our approach to this vehicle is a bit more progressive, as the community policing vehicle functions and requirements have changed over the years.

We have chosen to propose the police responder version of the Ford F-150 pickup truck for several reasons.

The Community Policing Officer is more active in patrol and traffic duties than ever before, so squad capabilities are necessary. This position also holds the primary responsibility for transporting and deploying the new traffic barriers. And, as the face of the Police Department at community events, we want the vehicle to reflect our pride, professionalism, and capabilities.

Vehicle Purchase Price:	\$47,676.50

#### **Recommendation:**

Authorize the Neenah Police Department to purchase the above listed vehicles as a cost, not to exceed, \$357,913.00 to include all equipment and changeover costs, from the approved 2024 Capital Improvements Plan Budget - Capital Equipment.

# NEENAH POLICE DEPARTMENT

Chief Aaron L. Olson

# Memo

To: Cari Lendrum, Public Services and Safety Committee Chair, Mayor Jane Lang

From: Chief Aaron L. Olson

Date: 1/26/2024

**Re: Reconfigure Current Office Space** 

The Neenah Police Department is requesting to reconfigure our current briefing room, exercise room, mat room, and Professional Staff Supervisors Office. This is Phase II of our department updates for the sustainability of our department.

Phase I was building the training center, which is now approximately 99% complete. We are only waiting on our furniture, which is on back order, along with some finishes such as wall trim.

Through years of collaboration with our Mayors and City Council, the training center was built to add better training, efficiencies within training, and to create new more efficient spaces in our current 30-year-old building.

We will be turning our current briefing room and gym into an area designated for patrol. We will turn our mat room into two offices, which are designated for future use. We will also be turning our current patrol supervisor's office, into the Professional Staff Supervisor office.

The City of Neenah building manager, Pat Benson, will be managing these projects. He will be assisted by Captain Tom Van Sambeek and me.

# **Recommendation:**

Authorize the Neenah Police Department and Pat Benson to start the renovations needed to complete Phase II of our building needs, using the \$170,000 that was approved by the Finance Director, Mayor and Council.

## MEMORANDUM

**DATE:** January 5<sup>th</sup>, 2024

- TO: Mayor Lang and Members of the Public Services and Safety Committee
- FROM: Greg Radtke, Public Works Superintendent

**RE:** Vehicle and Equipment Purchasing

Attached are two equipment purchase requests. I would like to update the Committee on the issues and difficulties of obtaining bids and pricing on replacing vehicles and equipment.

Due to the current low inventory and inability to secure vehicles from manufacturers, many vehicle and equipment vendors are not returning a bid or are responding with "no available vehicles for the year, all are spoken for." According to Scott Kussow at Ewald Automotive Group (the state contract bid), GM is sold out for the 2024 model year on any medium-sized chassis. All vendors are very hesitant to commit to a delivery date.

Our staff has done due diligence to find equipment that meets our needs to replace aging equipment. We have looked at acceptable used vehicles and in-stock units that come close to meeting our specifications. If we do not secure a found vehicle, with at least putting a refundable deposit down, chances are very good it will be sold or spoken for, before even inquiring about such equipment.

That is the case with the attached requests:

Fleet #93 (Traffic truck) – We located this truck at a nearby dealership. After checking to see if it met our needs, we placed a refundable "hold" deposit to lock the pricing in and allow us time to present this to the Committee.

Fleet #1E (Shop service truck) - I had until December 21<sup>st</sup> to retain the pricing on the truck chassis itself but with no promised delivery date. The utility box and equipment proposal will be coming to the Committee in the future.

### **Proposal**

Fleet #93 (2024 pick-up truck)

Bergstrom Neenah, WI	Ford F150	No Inventory
	Chevrolet or GMC 1500 Silverado	No Inventory
Holiday Automotive Fond du Lac, WI	2023 GMC Sierra 1500	\$43,705.00
Ewald Automotive Group (State Bid) Hartford, WI	Chevrolet or GMC 1500 Silverado	No Inventory
	Ford F150	No Inventory

Staff recommends the purchase of a new 2023 GMC Sierra 1500 from Holiday Automotive in Fond du Lac for \$43,705.00.

Staff also recommends purchasing a safety lighting package, a two-way radio, and toolboxes to outfit the truck. Total cost for the additional equipment not to exceed \$5,000.00.

Budgeted 2024 amount of \$50,000.00 (Page 314 Item #6 in 2024 Budget Book)

### **Proposal**

Fleet #1E Shop service truck (2024 <sup>3</sup>/<sub>4</sub> ton truck chassis only)

Bergstrom Neenah, WI	Ford F350	No Inventory
	Chevrolet or GMC 3500 Silverado	No Inventory or ability to bid
Ewald Automotive Group (State Bid) Hartford, WI	Chevrolet or GMC 3500 Silverado	No Inventory or ability to bid
	Ford F350	\$52,210.00

Staff recommends the purchase of a 2024 Ford F350 chassis from Ewald Automotive Group in Hartford, WI for \$52,210.00.

To outfit the truck, a proposal for the equipment portion will be presented to the Committee shortly.

Budgeted 2023 amount of \$80,000.00 (Page 331 Item #7 in 2023 Budget Book)

City Services Building

1495 Tullar Road Neenah, WI 54956

Phone: (920) 886-6260 Fax: (920) 886-6269

## <u>Proposal</u>

Fleet #29 (2024 Wheel Loader with a snowplow and wing attachment)

• Miller, Bradford & Risberg, Inc. De Pere, WI	Case 721G2 XR	\$270,077.00
• Brooks Tractor Inc. De Pere, WI	John Deere 624L HL	\$269,000.00
• Fabick CAT Green Bay, WI	CAT 938	\$270,600.00
• Aring Equipment Co. Inc. De Pere, WI	Volvo	NO BID
Monroe Truck Equipment De Pere, WI	Plow and wing	\$53,306.00

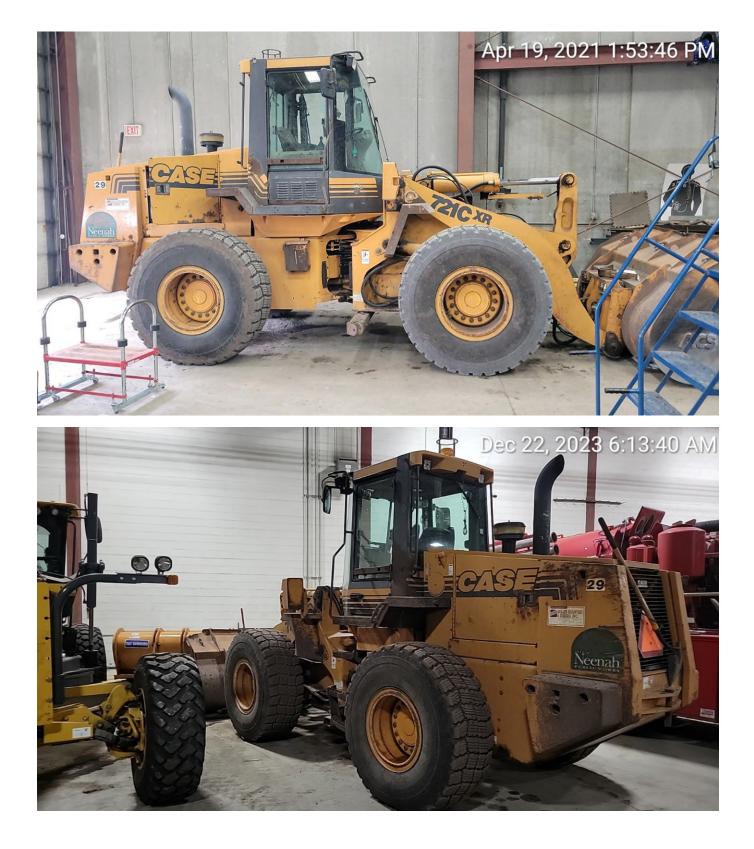

Staff recommends purchasing a John Deere 624P from Brooks Tractor Inc. of De Pere, WI for \$269,000.00 and a snowplow and wing package from Monroe Truck Equipment of De Pere for \$53,306.00 for a total of \$322,306.00.

Staff also recommends purchasing pallet forks and other accessories for this equipment not to exceed \$25,000.00.

Existing equipment will be traded in for a value of \$31,000.00.

Budgeted 2024 amount \$350,000.00

(Page 314 Item 1 in 2024 Budget Book)

*City Services Building* 1495 Tullar Road Neenah, WI 54956 Phone: (920) 886-6260 Fax: (920) 886-6269

## **Proposal**

Fleet #6A (2024 Single Axle Patrol Truck)

•	Packer City International Trucks Appleton, WI	International	\$113,997.00
•	Peterbilt of Wisconsin De Pere, WI	Peterbilt	\$135,100.00
•	Truck Country Kaukauna, WI	Freightliner	No Bid
٠	Quality Truck Care Center Oshkosh, WI	Western Star	No Bid
•	Kriete Truck Center De Pere, WI	Mack	No Bid
	Monroe Truck Equipment De Pere, WI	Equipment Package	\$128,870.00

The equipment package includes a snowplow and wing, dump box, safety lighting, and all controls.

Staff recommends purchasing a 2024 International Single Axle Chassis from Packer City Trucks (\$113,997.00) and an equipment package from Monroe Truck (\$128,870.00) for a total price of \$242,867.00.

Existing equipment (2002 patrol truck) will be retained and converted to replace Fleet #41 (1992 Water truck).

Budgeted 2024 amount of \$250,000.00 (Page 314 Item #7 in 2024 Budget Book)

*City Services Building* 1495 Tullar Road Neenah, WI 54956 Phone: (920) 886-6260 Fax: (920) 886-6269

## **Proposal**

Fleet #11A (2024 Tandem Axle Patrol Truck)

•	Packer City International Trucks Appleton, WI	International	\$124,917.00
•	Peterbilt of Wisconsin De Pere, WI	Peterbilt	\$151,800.00
•	Truck Country Kaukauna, WI	Freightliner	No Bid
•	Quality Truck Care Center Oshkosh, WI	Western Star	No Bid
•	Kriete Truck Center De Pere, WI	Mack	No Bid
•	Monroe Truck Equipment De Pere, WI	Equipment Package	\$140,458.00

The equipment package includes a snowplow and wing, dump box, safety lighting, and all controls.

The 2024 budget included \$260,000.00 for this purchase (Page 314, Item #2 in 2024 Budget Book). The total cost of the truck and equipment package is \$265,375.00.

Staff recommends purchasing a 2024 International Tandem Axle Chassis from Packer City Trucks for \$1124,917 and an equipment package from Monroe Truck for \$140,458 using budgeted funds and \$5,375 from the capital equipment fund balance.

Existing equipment (2006 patrol truck) will be listed at auction when the new truck is delivered.

City Services Building 1495 Tullar Road Neenah, WI 54956 Phone: (920) 886-6260 Fax: (920) 886-6269

## <u>Proposal</u>

Fleet #54 (2023 Automated Side Loader Refuse Truck)

•	Envirotech Equipment Menomonee Falls, WI	2023 New Way Sidewinder ASL (Committed to last year)	\$352,797.00
•	Envirotech Equipment Menomonee Falls, WI	2024 New Way Sidewinder ASL (New Order)	\$379,887.00
•	Sourcewell Purchasing Group	2024 New Way Sidewinder ASL (New Order)	\$408,121.00

Comments:

We currently use 6 (six) New Way automated trucks that perform well for us.

With my relationship with Envirotech, they called me knowing that we were anticipating to start replacement of our automated fleet. They had this truck on their build sheet and offered it to me first, early last year. If we are to have a new truck built, it will be more than a year.

Staff recommends purchasing a 2023 New Way ASL truck for \$352,797.00 from Envirotech Equipment.

Staff also recommends purchasing new radio equipment, city logos, and additional lighting not to exceed \$3500.00.

Existing equipment Fleet #54 – 2019 New Way ASL Truck will be sold at auction through GovDeals, or traded in with an approximate value of \$125,000.00.

Budgeted 2024 amount of \$360,000.00

(Page 314, Item #3 in 2024 Budget Book)

### NMFR Joint Finance & Personnel Committee January 23, 2024 – 5:30 p.m. Hauser Room – City of Neenah

Present: Ald. Lewis, Sevenich, Stevenson, Borchardt and Grade

Excused: Ald Boyette

Also Present: Chief Teesch, DC Krueger, Director Rasmussen and MA Ellis

Public: No members of the public were present.

Ald. Sevenich called the meeting to order at 5:30 p.m.

<u>Minutes:</u> The Committee reviewed the meeting minutes from November 28, 2023. **MSC Boyette/Stevenson to approve the November 28, 2023 meeting minutes and place on file, all voting aye.** 

<u>Review of Calls:</u> The Committee reviewed the 2023 year to date call summary. **MSC Stevenson/Grade to approve the** 2023 year to day calls and place on file, all voting aye.

<u>Consideration of Carryforwards</u>: The Committee reviewed the requests for carryforwards. Director Rasumussen explained at this time there is only approval needed for the operating budget carryforwards.

The request for the software account can be reduced from \$20,000 to \$2,512. Director Rasumussen spoke to Director Wenninger and confirmed that a majority of the Microsoft 365 project was done for our department. She further explained she and Director Sassman agree that the capital improvement project (CIP) carry forward requests should wait until each city does their CIP in the Spring. This will give them a better idea of what is needed as the year end bills will be processed. MSC Stevenson/Borchardt recommends the City of Neenah and City of Menasha Common Councils approve the

MSC Stevenson/Borchardt recommends the City of Neenah and City of Menasha Common Councils approve the carry forward of \$2,512 from the software budget (180-2301-712-0218) line item carry forward from 2023 to 2024, all voting aye.

MSC Stevenson/Borchardt recommends the City of Neenah and City of Menasha Common Council approve the carry forward of \$8,000 from the Burn Building/Maintenance (180-2301-712-025) to cover the purchase of the new windows that were ordered in September and will be delivered 2<sup>nd</sup> Quarter of 2024, all voting aye.

Radio CIP project was reviewed. DC Krueger explained that he held off on ordering the radios and equipment as they were waiting to see if they could get monies from the Spirit Funds from the County to help with the project. The radios were ordered last Fall of 2023 and we have received only portion of the order. We have spent \$115,000 so far. He did apply for a grant through the County, and we have been initially approved for \$227,319.48 for radios and equipment. It must go through the board yet for approval and there is no plan in place as to when these funds will be received. We hope to have more information soon. However, whatever funds we do receive will offset the original budgeted CIP amount. The Committee thanked him for applying for this as it saves monies for both Cities.

<u>Firefighter Replacement:</u> The Committee reviewed memo to request to replace a vacancy that is open due to a resignation. MSC Stevenson/Borchardt recommends the City of Neenah and City of Menasha Common Councils approve filing the one vacancy created by a resignation no earlier than March 1, 2024, all voting aye.

Report

Replacement Quint/Ladder Truck: The committee reviewed the request to approve the proposal to order a new platform truck. It is a 3-year build process and is currently in the 2027 CIP budget, which means this would be delivered in the same year as the funds are allocated for. We are current having mechanical issues with our current ladder truck and would like to replaced this sooner but cannot due to lengthy build times DC Krueger explained some of the differences that we chose to spec on this truck versus what we have and this was based upon the high rise buildings that we have incidents at. The new truck is also the same length as our current truck so this will fit in all our stations. MSC Stevenson/Borchardt recommend the City of Neenah and City of Menasha Common Council approve the proposal of one (1) 2027 Impel Ascendt Mid Mount Platform from Pierce Manufacturing and related equipment for a cost not to exceed \$2,200,000 and to authorize the Finance Directors to review financing options and approve the most advantageous financial option for both cities up to and including authorization to pre-sign a contract pending council approval to avoid a 1.1% increase that is a \$20,000 after 2-1-24, all voting aye.

MSC Borchardt/Lewis to adjourn at 6:00 p.m., all voting aye.

Respectfully submitted,

Tava a. Ellis

Tara Ellis Management Assistant

TO: NMFR Joint Finance & Personnel Committee

**DATE:** January 4, 2024

RE: 2023 Software Budget Carry Forward

This year we had budgeted funds for several different software changes. One change was an interface between our scheduling software and the City's payroll system. This interface is to reduce the redundancy in time staff with running reports from one system and manually data entering payroll into the City's payroll system. Currently, we have not completed this interface and are requesting to carry forward funds to complete this project.

The City of Neenah made the switch to Microsoft 365 in 2023. Part of this change was to upgrade the thin clients and software that line staff use. This software is used for line staff as it's a cheaper option than purchasing full licenses for all staff members. Due to a backlog in receiving the new software, we need to carry forward funds to complete this project.

We are asking for consideration in carrying forward \$20,000 (180-2301712-0218) to complete the software changes in 2024 as we will not have enough funds to cover this in our 2024 budget.

If you have any questions, please feel free to call me at 886-6202. Thank you for your consideration.

TT/te

1/23/24 – Director Rasmussen gave an update at the meeting and we do not need to carry forward \$20,000. The new amount is \$2,512.00

TO: NMFR Joint Finance & Personnel Committee

DATE: January 4, 2024

RE: 2023 Training Tower Carryforward Request

In 2023, there was a need to replace the windows in our training tower. The windows were ordered in September 2024 and are currently on backorder. We have been told by our vendor that they should be in by 2<sup>nd</sup> quarter of 2024. It should be noted that due to the Joint Recruitment Academy held at this facility, there is a shared expense with Oshkosh Fire Department when things need to be updated. Oshkosh Fire Department has already paid their portion of this expense and it has been deposited into the account we are requesting the carryforward from.

We are asking for consideration in carrying forward \$8,000 (180-2301712-0250) to complete the window replacement for our training tower as we will not have enough funds to cover this in our 2024 budget.

If you have any questions, please feel free to call me at 886-6201. Thank you for your consideration.

RE: Firefighter Replacement

We have an employee who has resigned from our department. Therefore, we have one vacancy open. At this time, we have four new firefighters who will begin employment in March of 2024. This is to replace staff members who and/or will be retiring soon. Our plan is to start the replacement for this person at the same time as the others.

I am asking for consideration and action to recommend the City of Neenah and City of Menasha Common Councils approve filling the one vacancy created by a resignation no earlier than March 1, 2024.

If you have any questions, please feel free to call me at 886-6201. Thank you for your consideration.

TT/te

то:	NMFR Joint Finance & Personnel Committee
FROM:	Assistant Chief Krueger/Truck Committee
DATE:	January 23, 2024
RE:	New Aerial Purchase

The approved 2027 CIP budget includes the planned replacement of Quint (32). The Truck Committee recognized the need for a platform device for safety while still being maneuverable. The Truck Committee which is comprised and represented by all ranks on the department to assure the vehicle needs are met have worked over several months looking at two vendors to put together a specification meeting the department operational needs, reducing options that have previously brought significant maintenance cost, all while enhancing the operations able to be provided to the communities.

NMFR is requesting consideration and action to recommend that the City of Neenah and Menasha approve the proposal of (1) 2027 Impel Ascendent Mid Mount Platform from Pierce Manufacturing and related equipment for a cost not to exceed \$2,200,000 and to authorize Financial Directors to review financing options and approve the most advantageous financial option for both cities up to and including authorization to pre-sign contract pending council approval to avoid a 1.1% increase after 2-1-24.

Thank you for your consideration.

From: Sent: To: Cc: Subject: Attachments: Aaron Bilek <Aaron.Bilek@seagrave.com> Monday, April 10, 2023 11:25 AM Shane K. Krueger Paul J. Writt Beaver Dam Fire Dept., WI SO 58A09 PE58A09 (R1-SOU1) (APR-DWG) Model (1).pdf

Shane,

1. Here is the PE for Beaver Dam FD., WI.

2. The contracted price as of 11/2022 was \$2.152 million.

If you have any further questions, please let Paul or I know.

Thanks

Aaron

#### Minutes of the Board of Public Works Meeting Tuesday, January 23, 2024 at 8:30 AM

**<u>MEMBERS PRESENT</u>**: Mayor Lang, Director of Community Development & Assessment Haese, Public Works Director Kaiser, Director of Finance Rasmussen, City Attorney Rashid, and Aldermen Hillstrom and Lendrum.

ALSO PRESENT: Director of Parks and Recreation Kading and City Clerk Nagel.

CALL TO ORDER: Mayor Lang called the meeting to order at 8:30 AM.

- I. Approval of the minutes of the January 9, 2024 meeting. (Minutes can be found on the city website) MSC Haese/Lendrum to approve the meeting minutes as presented, all voting aye.
- II. Appearances. None.
- III. Unfinished Business. None.
- IV. New Business.

Α.

- Parks & Recreation
  - Pay Request No. 7 and Final Pay Request for the Arrowhead Pier and Kayak Launch from Lunda Construction Company, Black River Falls, WI, in the amount of \$31,393.11 for retainage held on the project completed September 2023, utilizing approved budgeted CIP Carry Forward Funds. (Attachment) MSC Kaiser/Rasmusen to recommend Council approve Final Pay Request No. 7 Pay Request, Contract 5-23 as presented, all voting aye.

Discussion: Once proof of payment has been received from Lunda Construction the city can apply for the grant money. Once the grant money is received, there would have been zero taxpayer dollars used for the pier project. The project also came in under budget.

### B. Water Utility

 Pay Request No. 1, Contract 2-23W West Side Booster Station Building Construction, to RJM Construction, LLC., in the amount of \$98,144.50. (Attachment)
 MSC Kaiser/Lendrum to approve Pay Request No. 1, Contract 2-23W, in the

amount of \$98,144.50 as presented, all voting aye.

Discussion: The project is not finished yet, however, has already boosted the westside water system.

- C. Public Works
  - Final Pay Request, Contract 2-23, Street and Utility Construction on Brantwood Ct., Brantwood Dr., Charles Ct., Hughes Ct., Memorial Ct., and Patrick Ct., to David Tenor Corporation, in the amount of \$90,515.21. (Attachment)

MSC Kaiser/Hillstrom to recommend Council approve Final Pay Request, Contract 2-23, in the amount of \$90,515.21. all voting aye.

Discussion: All project work is satisfactorily complete. This is the final payment.

2. Change Order No. 2, Neenah Creek Bridge, to Pheifer Brothers, in the amount of \$11,872.15. (Attachment)

# MSC Kaiser/Haese to approve Change Order No. 2, Neenah Creek Bridge, in the amount of \$90,515.21 as presented, all voting aye.

Discussion: The rubberized waterproofing should have been part of the original contract. With Change Order No. 2, the project remains under budget. The developer will be installing sanitary sewer in which Jewelers Park Drive will be closed for two days during the boring process.

- Pay Request No.2, Neenah Creek Bridge, to Pheifer Brothers, in the amount of \$156,025.15. (Attachment) MSC Kaiser/Haese, all voting aye. No discussion.
- V. Any announcements/questions for the Board.
- VI. Adjournment. MSC Hillstrom/Haese to adjourn, all voting aye. Meeting adjourned at 8:43 AM.

Respectfully Submitted,

Charlotte K. Nagel
