Appearances

Mr. Vigil expressed his appreciation for the sheep at Carpenter Preserve, noting that this is the least invasive way to deal with invasive species. He also acknowledges that this will take time.

Ms. Palasz is concerned about the condition of Douglas Park. She stated that kids played on the equipment prior to it being removed, and the pavilion still was of use. She feels that her property is of less value.

At the close of appearances, the Commission decided to permit responses:

Director Kading stated that the City had a need for a stormwater pond to address neighborhood flooding issues, and the Commission worked with the stormwater utility to help stormwater relief in the area. Parks & Recreation staff evaluated the equipment based upon age, accessibility, and ability to purchase replacement parts. Finding that the equipment was 20+ years old and did not meet current ADA and safety standards, staff recommended removal. The future of the site is yet to be determined. Several ideas have been developed, but no decisions have been made.

Commissioner Galloway stated for the record that he abstained from votes related to Douglas Park due to his direct connection to the Galloway Company. He further encouraged residents to find out more information from the department or attend Commission meetings prior to posting inaccurate information. He reiterated that he and the company are committed to the Neenah community and want to help facilitate community engagement and cooperation.

Minutes

MSC Hillstrom/Galloway to approve the minutes of the July 17, 2025 Commission Meeting. All voting aye.

Parks & Recreation MISSION ACTION REPORT

September 18, 2025

Provide recreational experiences.

- Children's Playtime 3K began on September 3rd. We have once again partnered with Washington Early Learning School to help provide social opportunities for children participating in early intervention services. This has been a wonderful partnership for the past few years, and we are looking forward to it again!
- Our **Summer Program Registration Report** is attached. Overall, families were thrilled with the numerous opportunities we offered to keep our youth and families active, involved, and engaged throughout the summer. We are so grateful to our seasonal staff, who really are the reason we can offer so many wonderful opportunities!
- Kayak rental stations saw 28 rentals at Arrowhead and 20 rentals at Doty Park in August.

Promote health and wellness.

- Fall fitness opportunities include Yoga, Zumba, and Tai Chi classes.
- In partnership with the **Boy & Girls Club**, we are offering **Indoor Pickleball** open play. Registration is required. Play starts in October.

Protect environmental resources.

- Carpenter Preserve:
 - ✓ Bi-annual public update meeting with the neighbors is scheduled for October 2 at 6:00PM at the George Scherck Shelter.
 - ✓ Sheep/goats will complete their third visit to the preserve within the week.
 - ✓ As evidenced by the pictures, the volunteer crew cut in the pathways off of the parking on Breezewood (drone footage provided by Dan Emunson, Wooly Green Grazers).
 - ✓ Wooly Green Grazers sponsored a neighborhood appreciation event on September 9, where they recognized Megan and Derek (pictured to the right) for their help and dedication throughout the summer in caring for the sheep/goats.

• Arrowhead:

- ✓ The major focus through October is confirming permitted uses for Arrowhead through the DNR.
- ✓ Highway Landscapers has completed 2 of the 3 kill and tills with a final prep expected by the end of the month and dormant seeding by the end of October.

Parks & Recreation MISSION ACTION REPORT

• Doty Park Shoreline:

Work is progressing very quickly with Vinton taking advantage of the dry weather.

To-date, coffer dam has been installed, channel de-watered, wood walls along Fox River have been removed, and rip-rap placed. Next week, the internal wall will be removed and wall foundations installed for the center portion of the channel. DNR was onsite 9/12 - no aquatic invasive species found. **Reminder:** a walk-thru has been scheduled for 9/18 beginning at 3:55 (prior to the Commission Meeting).

Strengthen community image and sense of place.

• The **2025-2026 Fall/Winter Activity Guide** was released online on August 14th and was mailed out the following week. This guide includes fall, winter, and early spring programs. An online-only guide will be released in December.

Increase cultural unity.

• Doty Cabin Summary

Year	Children	Adults	Total	Donation
2025	334	828	1162	\$595.50
2024	232	528	760	\$581.00
2023	333	551	884	\$463.00

Three events were sponsored at the Cabin throughout the summer. One event was canceled due to rain. We are looking to continue to have one community event at the Cabin per month.

Cabin inventory was completed (more about this later).

We hired a new docent in March to fill the Sandy Joch position.

Jann McBride, 30-year docent, has decided to retire from her role. Jann's wisdom and knowledge will be missed. We thank Jann for her dedication, time, and commitment. With Jann came Bill McBride, who has been an incredible resource at the cabin, including cleaning up (daily), emptying dehumidifiers, and playing the role of Mr. Doty during school group visits. The City has been blessed for 30 years. We wish them well!

- **Riverside Players** finished their 69th season on Saturday, September 13 with the musical *Chicago*. All 8 performances were sold out, making it one of the most successful musicals in Riverside Players history. Special thanks to Director Susan Rabideau for her talented cast and crew.
- **Riverside Players 70**th **Season** has been announced as follows: *The Spongebob Musical* July 23-26 & July 29-August 1, 2026 and *Rumors* September 10-13, 2026.

BUSINESS ITEM #1: Doty Cabin Report and Presentation

Jacy Park, 2025 Cabin Docent, and Becky Kwiatkowski will be in attendance to provide a presentation on the summer inventory of the Doty Cabin collections. The last inventory was completed in 1995. Also completed in 1995 was a Collections Policy and Conservation Assessment. Both documents remain relevant today but need updating.

Over the course of the next 3-4 months/meetings, the Commission will be provided with the documents and suggested revisions. Once completed, the Commission will need to provide directions on items found in the collection.

The presentation given during the September 2025 Commission Meeting is an overview and precursor to information that will be provided during subsequent meetings.
