

**MINUTES OF THE NEENAH WATER WORKS COMMISSION  
AND  
STORM WATER CITIZEN ADVISORY BOARD MEETING**  
Special Meeting – March 23, 2026  
Hauser Room – City Hall, 211 Walnut Street, Neenah, WI

**Present:** President Schmeichel; Commissioners: Lang, Bauman, Steiner, and Hemes; and Director Mach.

**Also Present:** Alderperson Pollnow, Dan Kutcher and John Waelder from Teamsters Local 662, Human Resources and Safety Director Barber, Relief Operator Preissner, and Distribution Tech II Reader

President Schmeichel called the meeting to order at 4:30 p.m.

Public Appearances – None-

Approve Regular Meeting Minutes for February 16, 2026 – Following discussion, **M.S.C. Hemes/Bauman to approve the February 16, 2026 Regular Meeting Minutes.** All voting aye.

Unfinished Business – None-

New Business

Approve the Invoices for February 2026 – Commissioners asked about the invoice from Underwater Construction Corporation. Director Mach noted that Underwater Construction Corporation provides services for our yearly intake cleaning.

Following discussion, **M.S.C. Bauman/Hemes approve the February 2026 invoices.** All voting aye.

Health Insurance Discussion – Mr. Dan Kutcher from Teamsters Local 662 presented information regarding Teamcare, the health plan offered by the local union.

Following discussion, **No action required. Discussion only.**

Request Authorization to Dispose of Unused Shoring – Director Mach presented a memo detailing the request from staff to dispose of the unused shoring. The Water Utility does not have space to store the shoring inside the building. Local contractors have expressed interest in purchasing the shoring. Since the shoring was a capital item, Director Mach thought it best to seek Commission approval to dispose of the shoring. Staff would entertain offers and accept the one which is most advantageous to the Utility.

Following discussion, **M.S.C. Schmeichel/Lang to authorize the disposal of the unused Aluminum Pro-Tech Trench Shield on the open market.** All voting aye.

Director's Report –

1. Water Loss Report – Water loss has increased again this month. Commissioners noted that the “1 Year Ago” box in the report has the wrong months listed. There were three main leaks discovered last week that have been repaired. The leak correlator is in for repair.
