

Minutes of the Sustainable Neenah Committee
Wednesday, October 26, 2022
5:30 P.M.
Hauser Committee Room, City Administration Building
and GoToMeeting

Present: Committee Co-Chairs Brian Borchardt and Carol Kasimor, and Committee members Dennis Kittel and Jim Wise. (One member in attendance via GoToMeeting, three members in attendance in the Hauser Room.) **Also Present:** Department of Public Works Traffic Engineer James Merten.

A quorum was not present, no action was taken.

Public Appearances: No public appearances.

Discussion of Education/Information projects:

Special Event Recycling: Committee members and Traffic Engineer James Merten reviewed current special event permit requirements regarding trash and recycling and permit application revisions being discussed. Committee members expressed the expectation that recycling will be undertaken if trash receptacles are provided and will meet with James to propose permit application verbiage regarding recycling.

Neenah Farmers Market:

Brian Borchardt and Jim Wise were present at the last Farmers Market of the season (October 15) to provide information about sustainability topics and encourage completion of the SNC survey.

Carol Kasimor reported that a resident was interested in installing a hoop house for agricultural purposes greater in size than is currently allowed in a residential zone. Committee members expressed concern about the size of the requested installation in a residential zone.

Announcements and future agenda items:

Special event recycling

Update on local municipality sustainability activities

Discuss winter salt use

Adjournment: The meeting was adjourned at 6:25 p.m. Due to the Thanksgiving holiday, the next meeting will be on Wednesday, November 30, 2022.

Respectfully submitted,

Carol Kasimor, Assistant Planner
