

Minutes of the Sustainable Neenah Committee
Wednesday, August 24, 2022
5:30 P.M.
Hauser Committee Room, City Administration Building
and GoToMeeting

Present: Committee Co-Chairs Brian Borchardt and Carol Kasimor, and Committee members Dennis Kittel, Kent Powley, and Jim Wise. **Also Present:** Jackie Burton.

Public Appearances: Jackie Burton introduced herself and noted her sustainability interests.

Approval of meeting minutes:

MSC Wise, Borchardt, the minutes of the July 27, 2022 meeting were approved as distributed.

Discussion of Education/Information projects:

Solar energy was the topic of the Farmers Market presentation on Saturday, August 6. Appleton Solar owners Patrick and Ingrid Nahm were present, along with Kent Powley and Carol Kasimor.

The pollinator gardening presentation will be on Saturday, September 17, 2022 with Merrie Schamberger and Dennis Kittel hosting.

Kent Powley will be meeting with Jessica Hanson with Winnebago County Solid Waste Management on potential projects to assist with food scrap composting.

The Committee discussed recycling at special events. This topic will be discussed with Future Neenah Inc. and the City of Neenah regarding its policy.

Brian Borchardt and Jim Wise continue to develop the rain barrel kit.

Winter salt use was proposed as the Neenah Notes December/January/February newsletter article topic, due the third week in October.

Announcements and future agenda items:

Farmers Market presentation in October.

Adjournment: MSC Borchardt, Kittel, the meeting was adjourned at 6:15 p.m. Next meeting: Wednesday, September 28, 2022.

Respectfully submitted,

Carol Kasimor, Assistant Planner
